

# Lenovo YOGA Tablet 2 Pro

## POSITIONING STATEMENT

The Lenovo YOGA Tablet 2 Pro adapts to the user for a unique home theater experience. Created in partnership with celebrity technologist and Lenovo product engineer Ashton Kutcher, its unique kickstand provides four ways to enjoy media content: *Hold*, *Stand*, *Tilt* or *Hang*. This premium tablet includes unique features including an integrated projector to create a 50-inch home theater experience on any wall. YOGA Tablet 2 Pro is also packed with vibrant sound quality through an 8W JBL® sound system with bass subwoofer and a large 13.3-in Quad HD resolution screen.

## KEY FEATURES

- Integrated projector for up to a 50-inch home theater experience to view media on any flat surface
- Larger kickstand compared to previous generation YOGA tablets for greater stability and a new release button to open the kickstand more easily
- Features a new mode, *Hang*, in addition to the unique three modes from previous models: *Stand*, *Tilt* and *Hold*
- Brilliant sound quality for a premium media watching experience with 8 watts of sound including a subwoofer
- Amazing performance for work and play with Intel Inside®
- Intuitive software made to automatically recognize the current user mode and optimize display contrast/brightness/sharpness, pop up keyboard settings for typing and turning on Dolby® Audio mode for watching movies, video chatting or playing games
- Incredible battery life with up to 15 hours on a single charge to power users throughout the day
- Packed with premium Lenovo apps, including a product walk through using a 4D image of Ashton Kutcher to guide users through all of the device's cool features
